It was our earnest desire in creating this book to reflect the action that moved MCHS throughout the year. This "INDIAN ACTION" took place during Homecoming, BBFFA, Christmas, and Valentines Day. Our Sports Department had a lot of "ACTION" also. The Baseball team took the Shark Conference title for the seventh year in a row. Both the Boy's and the Girl's Track team took the Shark Conference title for the second year in a row. However, the most "ACTION" took place on the court. The INDIANS were the Regional and the Sectional CHAMPS. This was a "time to remember" as school spirit and support were at their peak! During the 77-78 school year "INDIAN ACTION" was present more than ever. We hope our efforts were not in vain.

The yearbook staff has worked diligently on this book for many hours after school. To raise money, staff members had a hot dog stand on the corner by Wisted's during the week of Grand Opening in the fall. In the cold and rain, staff members sold mouth-watering hot dogs, refreshing soft drinks, hot coffee, and crisp potato chips. The staff also sponsored the Donkey Basketball Game on April 21. For a weekly money-making project throughout the year, staff members wrote news articles for the Marengo Republican News concerning sports events and various other school sponsored activities. Photographs for these events were also supplied by staff members.

The advisor for the staff is Mrs. McPeak. It is not only her first year as a yearbook advisor but also her first year as a teacher in M.C.H.S. She has filled both positions well. The yearbook staff would like to thank Mrs. McPeak for the supervision and consideration she has given us throughout the year. We wish her good luck and continued success in the future.

War Games Club did many things this year, including changing its name to Strategy and Tactics Club. The emphasis was on participation and learning new games. Among other activities, Strategy and Tactics Club had successful assassinations during Football Homecoming. Volunteering members provided the waterguns, and for five cents people could have their favorite person gunned down. Strategy and Tactics Club's first tournament of the school year was during Christmas. This tournament was based on learning through competition. Games which were featured dur-

ing this tournament were the ever popular Speedcircuit, Wooden Ships and Iron Men, and War at Sea to mention just a few. The second weekend session produced different featured games like 1776 and large scale miniatures. During the year there were 14 possible ranks that were determined by the number of games played and the number of games won. The 14 possible ranks were achieved by playing and winning games. The commanding triumvirate of Doug Bean, Mark Hendricks and Dave Kopecky led Strategy and Tactics Club to a great year.

DRAMA

CLUB

Drama Club members participated in the annual school play, "Time Out for Ginger." This was Mrs. Turk's first performance at MCHS.

During the month of October the President and Vice-President of the club tried to arrange a trip to see "Godspell." The Godspell trip was cancelled, due to the lack of interest.

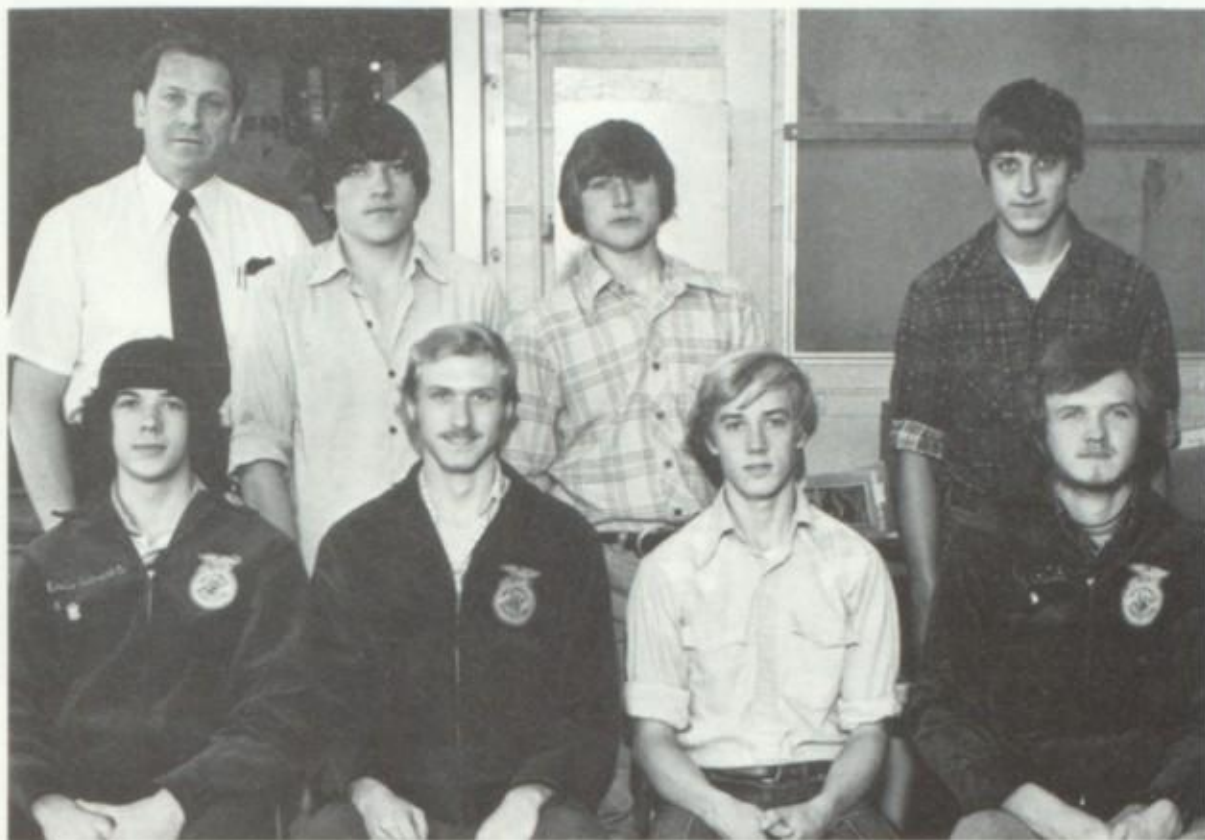

Next year we hope to increase our membership and promote more activities for the club.

FUTURE FARMERS OF AMERICA

The FFA has been engaged in many activities this past year. Various members have been involved in various judgments. The FFA has held fun nights in the gym, volleyball with the FHA, and sponsored the greased pig contest at Homecoming. The FFA also held its annual banquet this year and was visited by state FFA officers. Another highlight of the year was attending the state and national FFA conventions. Thus 1978 proved to be a very active year for our FFA.

The FHA Hero Club sponsored the annual Sadie Hawkins Dance. Many students joined in the fun and excitement. A dance contest, hool-a-hoop contest, root beer drinking contest and costume contest were held. The jail remained filled throughout the night and Preacher Dave Kopecky married many a fine couple.

Other activities included FHA Hero Week. Special activities were designated for each day. In December, members baked Christmas cookies for Florence Nursing home. In March the State Leadership Convention was held in Decatur. Six members attended: Aloisa Garza, Deb MacIntyre, Connie Driver, Cathi Driver, Diane Ballard and Lori Kraemer. First place awards were received in all areas of competition. April featured the annual style show. The theme was "The Yellow Brick Road to Fashionland." Moneymaking projects included selling Kathryn Beich Candy and sponsoring a bake sale at Wisted's.

The Student Council, this year led by Kelly Torrance and Joe Buehler, enthusiastically planned many student activities. The year started with a "Rock and Roll" Homecoming. The Council sponsored a competitive week consisting of a Student Council - Faculty Volleyball game, Class Competition Games and The Ice Cream Social. Friday night ended with a

midnight movie featuring "Tommy" and Saturday night we saw the talents of the "Screams." Early in February, the Student Council sponsored the First Annual B.B.F.F.A. The week consisted of Competition Games, "Young Frankenstein" and "Tamarak." The second annual Pancake Breakfast was held on April 8 and again it was a great success. Dur-

ing the spring a new stereo was purchased by the Council to be used by the entire school. A "Spring Fever" dance was held on April 29. The success of the dance was helped by Kathy Pohl, a disco dance teacher from M.C.C., and great student participation. The Student Council would like to thank Mrs. Adams for all her help in making this year a success.

The Swing Choir performs all types of music and the performance usually includes some type of dance routine. The Swing Choir practices only one night per week for two hours; and out of this short time, we receive many original and genuinely entertaining shows. The Swing Choir is a welcome group to our music department.

HOMECOMING

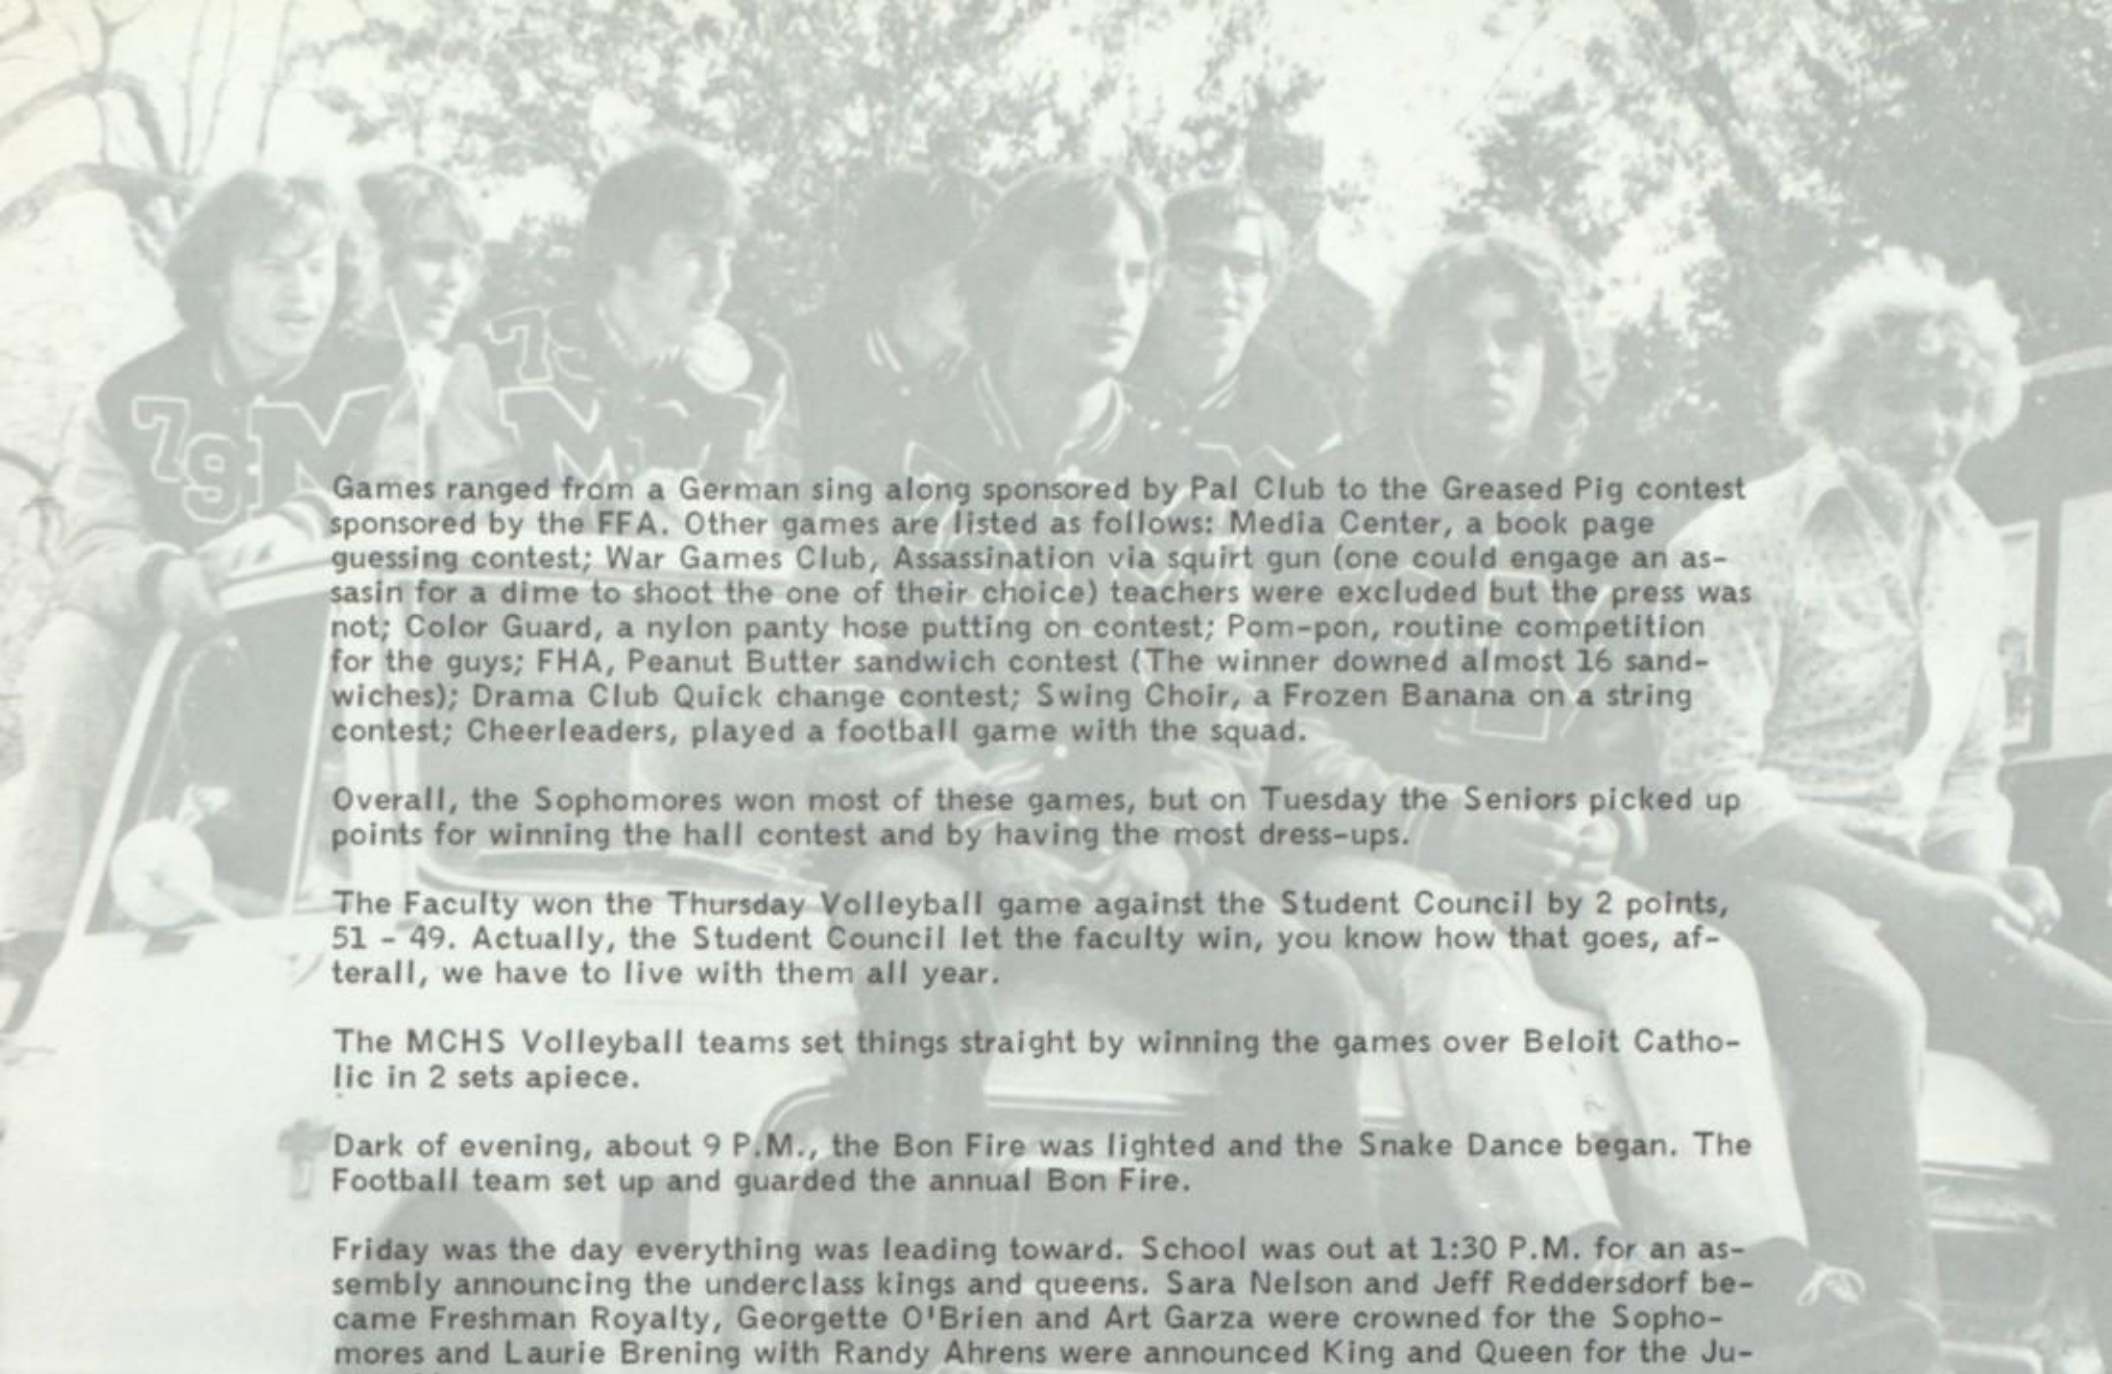

Homecoming is always the one time of the year during which the teachers "let up" on the students and homework is lightened. Everything is in such an uproar, it is a wonder that anything at all is accomplished.

This being my fourth and final homecoming for high school days (as it is for all seniors), I find something really special and exciting in this week of activities. Perhaps it is because there was a lot to be excited about.

Monday started everything "rolling". The halls were beginning to take on a new life and look. This year's theme was "Rock and Roll". Students from each class decorated their halls with appropriate ideas put into decorations. By Tuesday the effect was finished and judged.

Tuesday's spirit competition also included a dress up day. Everyone was to dress up as his favorite Rock Star. They, along with the halls, were judged during the afternoon and at the end of the day winners were announced as follows: Julie Davis, Freshman dressed as Elton John, took 1st place; 2nd went to Bill Ratfield, Senior, and Tammy Loeffel, Sophomore for Donny and Marie attire; 3rd went to 5 Junior girls, Sue Wisted, Connie Smith, Nancy Koester, Wanda Papka and Sarah Rossow for their "Kiss" costumes.

Wednesday, school was dismissed at 2 p.m. and many of the students came to the multi-purpose room for an ice cream social and more class spirit competition. Club games were held. Each club or organization was asked to come up with a game which was related to its group.

Games ranged from a German sing along sponsored by Pal Club to the Greased Pig contest sponsored by the FFA. Other games are listed as follows: Media Center, a book page guessing contest; War Games Club, Assassination via squirt gun (one could engage an assassin for a dime to shoot the one of their choice) teachers were excluded but the press was not; Color Guard, a nylon panty hose putting on contest; Pom-pon, routine competition for the guys; FHA, Peanut Butter sandwich contest (The winner downed almost 16 sandwiches); Drama Club Quick change contest; Swing Choir, a Frozen Banana on a string contest; Cheerleaders, played a football game with the squad.

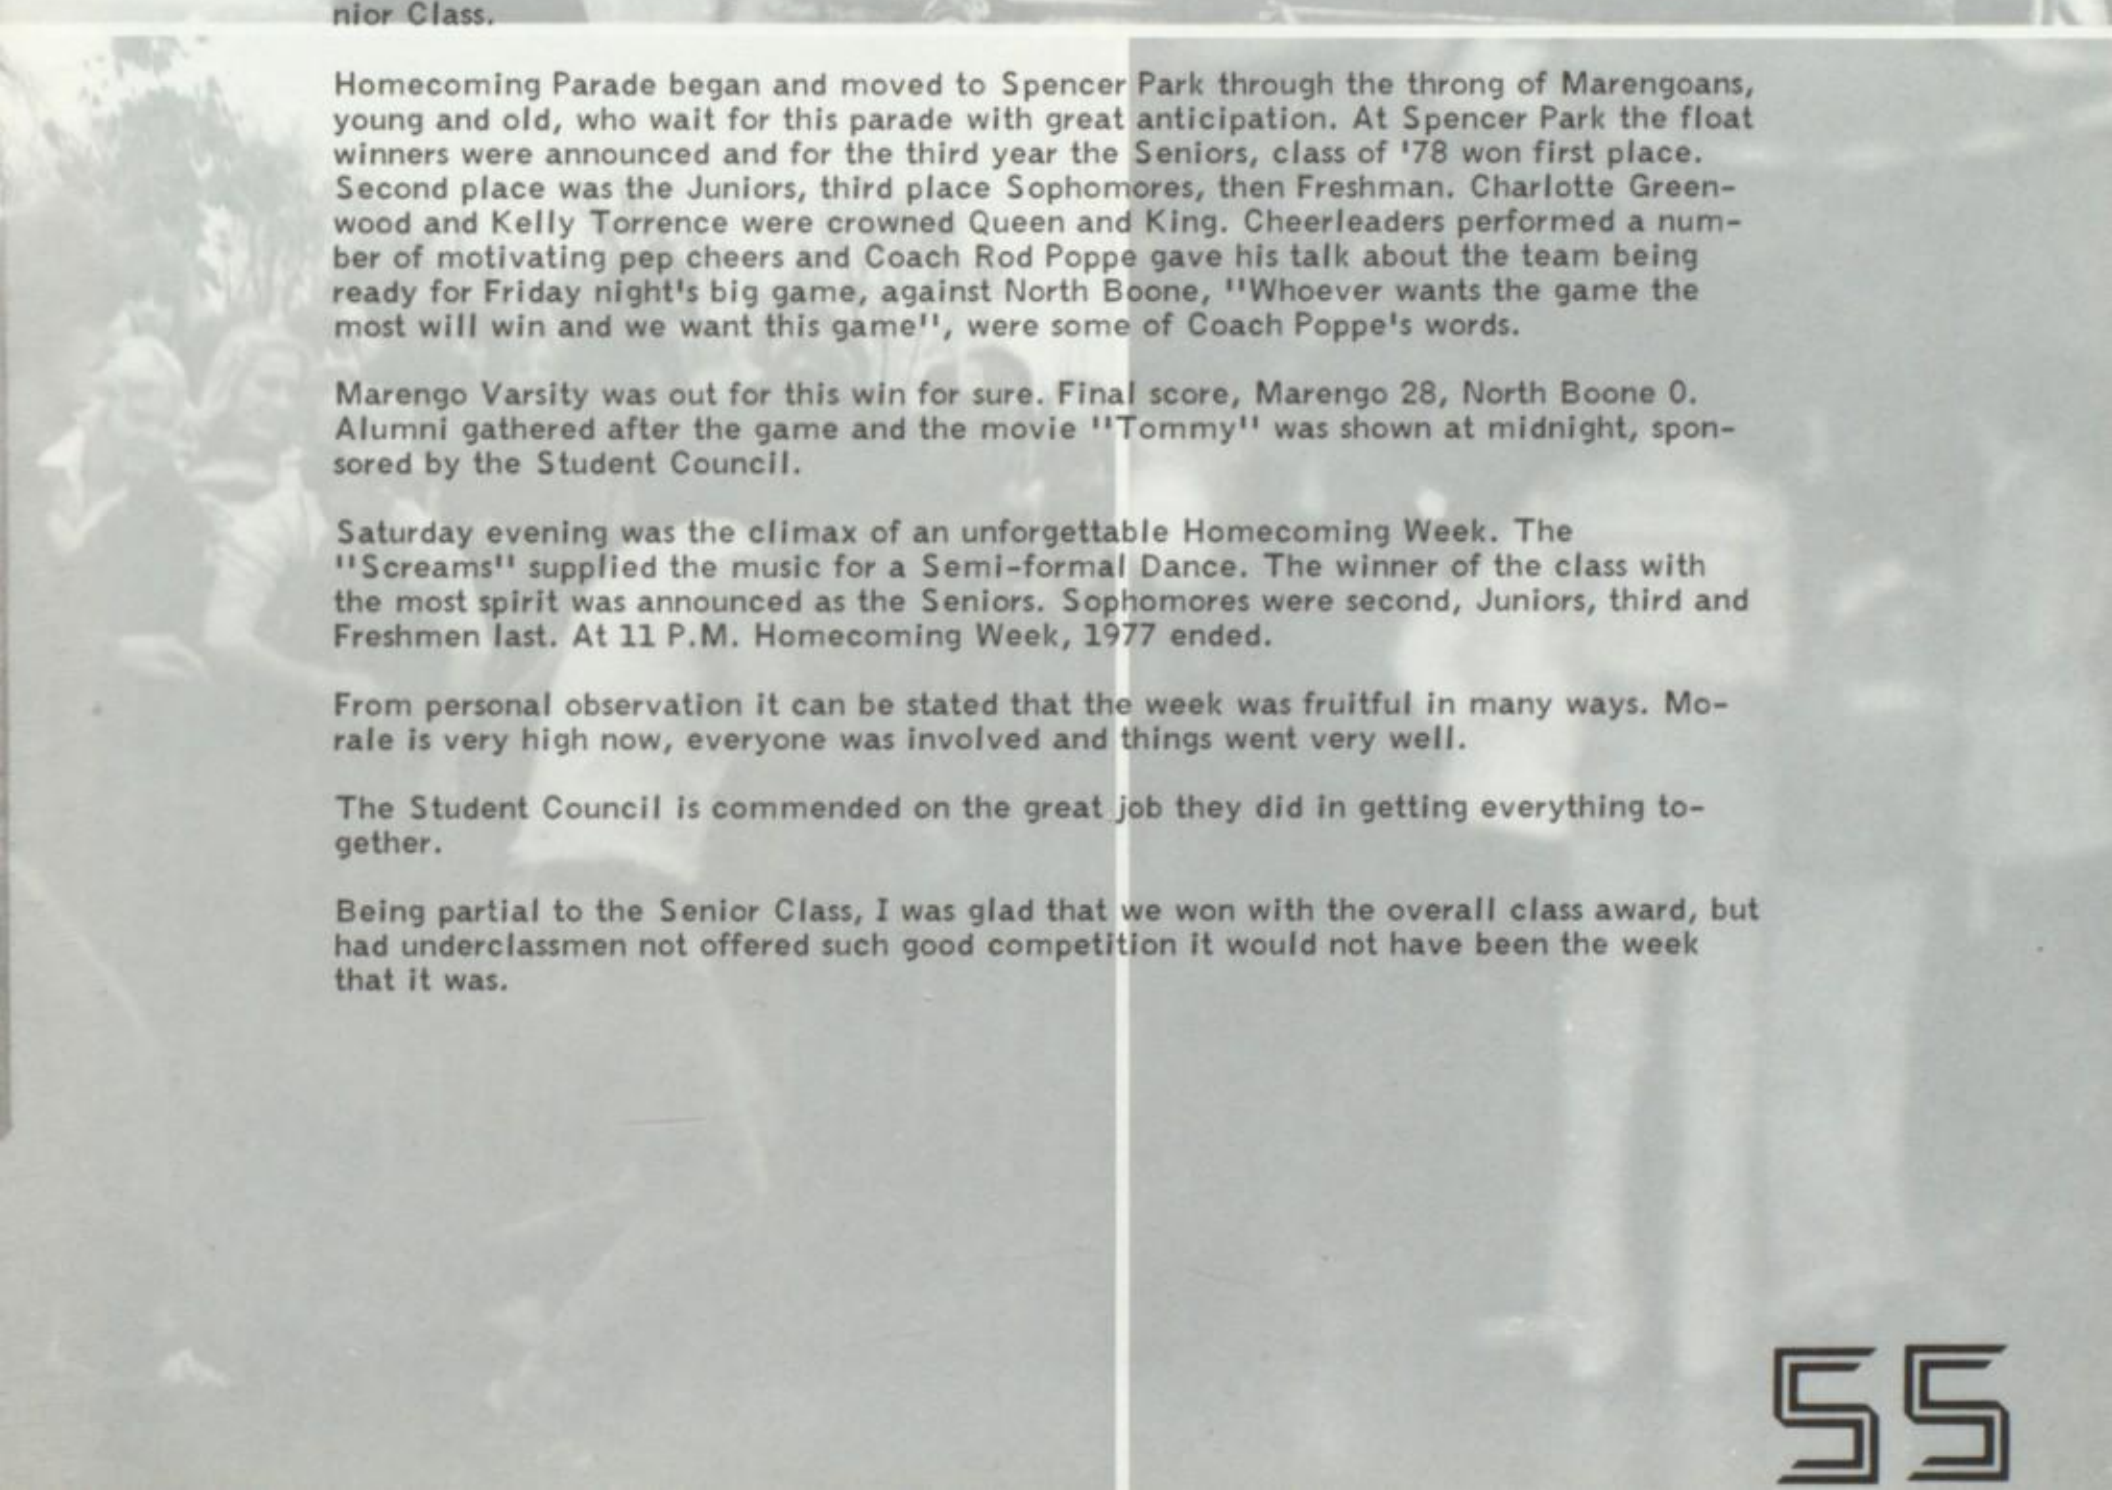

Overall, the Sophomores won most of these games, but on Tuesday the Seniors picked up points for winning the hall contest and by having the most dress-ups.

The Faculty won the Thursday Volleyball game against the Student Council by 2 points, 51 - 49. Actually, the Student Council let the faculty win, you know how that goes, after all, we have to live with them all year.

The MCHS Volleyball teams set things straight by winning the games over Beloit Catholic in 2 sets apiece.

Dark of evening, about 9 P.M., the Bon Fire was lighted and the Snake Dance began. The Football team set up and guarded the annual Bon Fire.

Friday was the day everything was leading toward. School was out at 1:30 P.M. for an assembly announcing the underclass kings and queens. Sara Nelson and Jeff Reddersdorf became Freshman Royalty, Georgette O'Brien and Art Garza were crowned for the Sophomores and Laurie Brening with Randy Ahrens were announced King and Queen for the Junior Class.

Homecoming Parade began and moved to Spencer Park through the throng of Marengoans, young and old, who wait for this parade with great anticipation. At Spencer Park the float winners were announced and for the third year the Seniors, class of '78 won first place. Second place was the Juniors, third place Sophomores, then Freshman. Charlotte Greenwood and Kelly Torrence were crowned Queen and King. Cheerleaders performed a number of motivating pep cheers and Coach Rod Poppe gave his talk about the team being ready for Friday night's big game, against North Boone, "Whoever wants the game the most will win and we want this game", were some of Coach Poppe's words.

Marengo Varsity was out for this win for sure. Final score, Marengo 28, North Boone 0. Alumni gathered after the game and the movie "Tommy" was shown at midnight, sponsored by the Student Council.

Saturday evening was the climax of an unforgettable Homecoming Week. The "Screams" supplied the music for a Semi-formal Dance. The winner of the class with the most spirit was announced as the Seniors. Sophomores were second, Juniors, third and Freshmen last. At 11 P.M. Homecoming Week, 1977 ended.

From personal observation it can be stated that the week was fruitful in many ways. Morale is very high now, everyone was involved and things went very well.

The Student Council is commended on the great job they did in getting everything together.

Being partial to the Senior Class, I was glad that we won with the overall class award, but had underclassmen not offered such good competition it would not have been the week that it was.

CONCERT

BASKETBALL

FREE

It was the first time that the B.B.F.F.A., or Basketball Free For All, was ever held. Student Council sponsored the event, which broke up the monotony of the winter season. It all started on Wednesday when everyone got out of school at 2:45, to start the class competitions. Three couples from each class ran in the three-legged race, three people from each class played in the "Pin the Tomahawk on the Hornet," a few girls and guys arm wrestled, a number of people competed in the airplane contest, four people from each class played leap frog, and four people from each class competed in the freethrow games. The last competition was held out of the gym and was played in each of the class halls. Each class decorated its hall in order to compete against the other three classes. With all of the scores totaled between the classes, the Sophomores won the competition. The girls' Varsity and Sophomore basketball games were played on Thursday against Harvard. Our Varsity lost, but the Sophomores did win their game. The games of the Marengo Varsity and Sophomore boys' teams were victorious over Harvard on Friday. At the end of the activities, on Saturday, there was a dance held by the Student Council. Tamarak was the group which played at the dance. Everything which was held was done in enthusiasm. In fact, the reason for the activity being held was that the Student Council exhibited so much interest in school spirit.

The Senior Class once again had the first place float which makes it three years in a row. We also took first place in Spirit Week during Homecoming. Our class needed no money-making projects this year as we had enough funds to use for the Senior Class Trip to St. Louis and a Senior Picnic at Indian Oaks Park. The excess money was used for the trophy case we bought the school. A trophy case was decided upon, because of the abundance of trophies that were brought home this year. We would like to thank our class advisor, Mr. Botts, for the time he spent with us, especially the many hours spent at Ferris' to assemble our three first place floats!

JUNIORS Class of '78

JACKIE

(left to right) Vice President — Joanne Isaacson, Treasurer — Wanda Papka, President — Laurie Brening, Secretary — Kim Barth.

The Junior Class of 1978 had a very full year. We started out the year with Laurie Brening as President, Joanne Isaacson as Vice President, Kim Barth as Secretary, and Wanda Papka as Treasurer. Our 1978 Student Council representatives were Chip Ackman, Carole Flemming, Sue Martin, Wanda Papka, Bruce Piper, and Susie Wisted. Our money making projects were selling ice scrapers and running the concession stand for all home sporting events. The achievements of the Junior class were: 2nd place for our float at the FB Homecoming and 2nd place in the BBFFA spirit competition. As always, the major activity of the Junior class was the Prom. This year it was held at the Chateau Louise and the theme was "The Way I Feel Tonight". We would all like to thank our advisor, Mrs. Robinson, for without her none of this would have been possible.

This year's Juniors, who are not pictured, are: Rick Fedrowitz, Mike Fees, Mike Hasemann, Larry Johnson, Jeff Selvick, Lisa Stancliffe and Mark Weber.

JUNIORS

Sophomore

The Sophomore Class has been very enthusiastic this year. We came in third place with our float. We had one major money-making project which was selling Christmas greens. For our class trip we went to Great America. We would like to thank everyone who supported our class and who helped make our Sophomore year a good year.

At the top of this page are our Sophomore Class Officers: (left to right): Mrs. Dunker, Advisor; Kathy Oakley, Treasurer; Susie Kitchen, Vice President; Luke Kostal, President; Patti Schirmer, Secretary.

The four Sophomores not pictured: Orest Hedio, Johnnye Roth, Scott Sarrels and Stephanie Timm.

WITH THE FRESHMAN

Herman '78

Freshman class officers (left to right) Shelly Smith, Sandy Martin, Cree Farris and Mrs. Walkington.

We are proud of our successful Freshman class. When we began the year, our class officers were: President, Nancy Ewing, Vice President, Shelly Smith, Secretary, Sandy Martin, Treasurer, Cree Farris and class advisor, Mrs. Walkington. Our first class President, Nancy Ewing, moved and was replaced by Shelly Smith. For our class fund raising project, we sold cheese and sausage. In this year's class competitions, we received first place in decorating downtown store windows. This was to cheer the basketball team on and create enthusiasm among the people of Marengo for the sectional game against Oregon. We received fourth place in the Spirit Competition for football Homecoming.
